## **PMP Exam Preparation & Project Management Fundamentals SCHEDULE 2009 & 2010**

---

### **2009**

**Course:** **Personal Leadership Excellence**  
**Course Date:** 16-18 June 2009  
**Cost:** \$575

**Description:** This three-day session provides leadership knowledge that help you better use technical and management skills. In this workshop, you will learn skills such as time management, conflict resolution and motivational techniques. This Project Management workshop benefits anyone who wants to be self-knowledgeable and a strong leader.

**Course:** **Managing a Team**  
**Course Date:** 15-17 September 2009  
**Cost:** \$575

**Description:** This three-day workshop focuses on project team building and techniques for creating and maintaining a motivating and positive environment. In this workshop, you will learn how to create an effective project team, communicate with shareholders, and work with project contractors and consultants. This Project Management workshop is for individuals who have any level of leadership role in their organizations.

**Course:** **Monitoring and Control**  
**Course Date:** 15-17 December 2009  
**Cost:** \$575

**Description:** Take this three-day workshop to learn how to successfully maintain control in project environments. In this workshop, you will learn how to use Earned Value Analysis, manage project risk, and verify that quality objectives are met. At the end of the course, you will know how to successfully keep a project on track.

### **2010**

**Course:** **Personal Leadership Excellence**  
**Course Date:** 5-7 January 2010  
**Cost:** \$575

**Description:** This three-day session provides leadership knowledge that help you better use technical and management skills. In this workshop, you will learn skills such as time management, conflict resolution and motivational techniques. This Project Management workshop benefits anyone who wants to be self-knowledgeable and a strong leader.

**Course:** **Effective Project Planning**  
**Course Date:** 6-8 April 2010  
**Cost:** \$575

Description: This three-day workshop provides the tools for going from an idea to a project. In this workshop, you will learn how to create Project Plans, Work Breakdown Structures (WBS), and charts essential to project planning. This Project Management workshop is designed for any individual who wants to set up a project for success.

**Course:** **Managing a Team**  
**Course Date:** 6-8 July 2010  
**Cost:** \$575

Description: This three-day workshop focuses on project team building and techniques for creating and maintaining a motivating and positive environment. In this workshop, you will learn how to create an effective project team, communicate with shareholders, and work with project contractors and consultants. This Project Management workshop is for individuals who have any level of leadership role in their organizations.

**Course:** **Monitoring and Control**  
**Course Date:** 5-7 October 2010  
**Cost:** \$575

Description: Take this three-day workshop to learn how to successfully maintain control in project environments. In this workshop, you will learn how to use Earned Value Analysis, manage project risk, and verify that quality objectives are met. At the end of the course, you will know how to successfully keep a project on track.

**Course:** **PMP Exam Preparation**  
**Course Date:** 6-10 December 2010  
**Cost:** \$1,495 + tax

Description: This five-day program prepares project managers to successfully write the Project Management Institute's (PMI) Project Management Professional (PMP) certification examination. After taking this course, you will understand the topics the exam covers in-depth, and know how to answer exam questions to get optimum results. NOTE: This course fulfills the 35 hours of structured, classroom based PM training that is required in order to qualify to write the PMP exam.

**Textbook:** Project Management Body of Knowledge (PMBok) - Additional cost

**To Register:** Please contact the Continuing Education Office by visiting A201 Prince Philip Drive Campus or by phoning (709) 758-7531.
